

## **The Twisted Beanie**

**By: Jerica Tompkins**

**[YarnHookNeedles.com](http://YarnHookNeedles.com)**

## **Materials:**

- 5MM hook (child – teen size)
- 6MM hook (larger teen – adult)
- Size 4 weight yarn
- Tapestry needle
- Scissors

## **Pattern Notes:**

You will be joining this chain and working this beanie in the round working from the bottom up.

There is also a YouTube tutorial available for those who need more visual guidance.

Once you have finished the correct number of rows, you will flip the beanie inside out.

You will seam the top of the beanie closed by feeding the tapestry needle in and out of the top stitches. Pull tight and weave the tail in and out of the open space to as to make sure everything closes really well!

## **Pattern:**

**CH 60 (*use the required hook to change the size of the beanie*)**

SL ST to the CH 1 space. (be sure your chain isn't twisted)

Round 1 – CH 2. Place a HDC in each stitch all the way around for a total of 60 HDC (CH 2 doesn't count as a HDC)

Round 2 – CH 2. \*FPDC (front post double crochet) around the HDC post of the previous row. HDC in each of the next 2 stitches\*. Repeat from \* to \* all the way around. **Be sure you maintain a total of 60 stitches all the way around.** SL ST to the top of the chain 2.

Round 3 - CH 2. \*FPDC (front post double crochet) around the FPDC post of the previous row. HDC in each of the next 2 stitches\*. Repeat from \* to \* all the way around. **Be sure you maintain a total of 60 stitches all the way around.** SL ST to the top of the chain 2.

Rounds 4 – 22: CH 2. \*FPDC (front post double crochet) around the FPDC post of the previous row. HDC in each of the next 2 stitches\*. Repeat from \* to \* all the way around. **Be sure you maintain a total of 60 stitches all the way around.** SL ST to the top of the chain 2.

**Refer to the pattern notes on how to close the top of the beanie.**
